

Schedules to draft legislative proposal.

Schedule 4 Part 2 Replace Part 2 with the following:

European Communities (Carriage of Dangerous Goods by Road and Use of Transportable Pressure Equipment) Regulations 2011, S.I. 349 of 2011 as amended.

National Tank Inspection Certificate (Ireland)

This certificate is issued by an inspection body or competent person under the above regulations. Any query regarding this certificate should be directed to the issuing inspection body or competent person.

Intermediate Periodic Exceptional

Owner/Operator	
Name	
Address	
Post code	

Certificate no.	IE/
Registration no.	
Manufacturer and Country	
Manufacturers serial no.	
Year of manufacture	
Gross vehicle weight	
Unladen weight	

Tank Type/approval no.		Design Code		Tank material	
Thickness	Required mm	Measured mm	Design pressure	bar	
Wall thickness shell			Max. working pressure	bar	
Wall thickness front end			External pressure (vacuum)	bar	
Wall thickness rear end			Hydraulic test	bar	
Wall thickness partitions/surge plates			Leakproofness test	bar	

<i>EPRV pressures</i>	Nominal mbar		Lift mbar		Reseal mbar		Test fluid	
Breather valve pressures	Nominal lift mbar		Reseal mbar		Vacuum -mbar			
Relief pressures	Nominal lift mbar		Reseal bar		Vacuum -bar		Burst disc rating bar	

Compartment no.	1	2	3	4	5	6	7	8
Capacity Gross L.								
Capacity Nominal L								

Examination of documents		Inspection of:	Tank exterior		Hydraulic pressure test	
Check of design characteristics			Tank interior		Leakproofness	
Last certificate check:	Initial		Service equipment		tank/compartments/equipment	
	Intermediate		Mounts and structure		NDT	
	Periodic		Ancillary equipment		Lining material	
	Exceptional		Discharge equipment		Other:	
Tank record						

Notes and observation (see inspection report for full details):

Approved products:

UN number	Special provisions	UN number	Special provisions	UN number	Special provisions

I am satisfied the tank and its equipment are operating satisfactorily:

Company stamp	Next due inspection: Intermediate Periodic	Due Date:
	Inspection company:	

	Location: AIB ref.:		
	Inspector signature:		Date:
	Authorisation signature:		Date:

Schedule 4 Part 3 Replace Part 3 with the following:

European Communities (Carriage of Dangerous Goods by Road and Use of Transportable Pressure Equipment) Regulations 2011, S.I. 349 of 2011 as amended.

National Tank Inspection Certificate (Ireland) – EN12493 Annex C

This certificate is issued by an inspection body or competent person under the above regulations. Any query regarding this certificate should be directed to the issuing inspection body or competent person.

Defects and observation (see inspection report for full details):

The tank as detailed above has failed an in-service mandatory inspection and is deemed not suitable for the carriage of dangerous good until such time as all remedial works have been undertaken and the tank is resubmitted for inspection. Remedial work and retest are the responsibility of the owner/operator.
